Greeters: Please be ready to greet worshippers beginning 15 minutes before worship begins. We want greeters outside the front doors (unless it is just frigid) and inside. Please look over the table inside the front door, to see if we need to add anything. The inside greeters will hand out bulletins.

Be friendly! Invite Guests to fill out a name tag.

Set up Team: Please arrive at 9:00 a.m. The set up captains usually arrive a little earlier, and you may do so too.

Children's ministry (Sunday School) leader: The materials will be mailed to the person on the schedule to teach. Please contact Nell McCarty (359-2895) if you do not! **Ushers:** Please sit in the back of the congregation. Help seat anyone who arrives late. This may require going to get chairs. Please give collection to James Gordon for counting. **If he is not present, counters are Dale Grunsky, Tom Church, Gary Morgan and Malcolm Long with John Hargreaves as an alternate counter.** If James is absent, please make sure we get a count of the number of people, children and adults, present.
